

Intent Group becomes Argon & Co ANZ

Paris January 9th, 2023

We are delighted to announce that Intent Group has become Argon & Co in New Zealand.

Intent Group bring a strong team of experts, specialising in operational transformation, and manufacturing excellence across a broad range of industries as well as deep knowledge of the local market.

Its integration reinforces existing capability in New Zealand (NZ) and enhances the ANZ business, with a combined team of over 100 consultants across Sydney, Melbourne, and Auckland.

Paul Eastwood, Managing Partner of the ANZ business states “We have been working on the New Zealand integration for the last few months, our teams have led the way and are already in the mindset of one business. Intent Group has an incredible history and reputation in the local market and a legacy we are honoured to inherit. Together we begin a new chapter with the goal to build a leading global management consultancy specialising in operations strategy and transformation.”

Intent Group founder, Ian Walsh becomes Partner of the NZ business and says “Argon and Co NZ is now a reality, with a significant team focused on operational transformation. Our purpose remains on making a difference for organisations of all sizes and locations throughout NZ and drive outstanding performance outcomes. With this integration, we have access not only to a greater team of experienced consultants but also the world’s best methodologies and digital capability.”

Yvan Salamon, CEO of Argon & Co, adds, “Intent Group reflect the consistency of our values across the business and consolidate our strong position in the operations consultancy market. Uniting into one business, brings together our best practice knowledge and reinforces our expanding global presence.”
