# About Gartner Peer Insights™ Reviews

Gartner Peer Insights™ is a peer-driven community where thousands of enterprise leaders come together for unbiased discussions on trending topics and technology. Leaders from Fortune 100 organizations to Silicon Valley startups with diverse backgrounds and goals, come together to share knowledge and insights that will have an impact on their business and professional growth.

There are over 60,000 leaders within the community, 12M+ annual sessions, and 760,000+ verified technology reviews.

Gartner Peer Insights™ is a peer-driven community where leaders can easily connect with the right set of peers for the insights they need for honest discussion without fear of commercial bias.
